

Grand Avenue, Keokuk, Iowa

Project Description

Keokuk's Grand Avenue is lined with outstanding examples of historic residential architecture from the early 1900's. Our design of a new paved street and curb enhances the original characteristics of the historic area. Additional improvements include a new sidewalk and meeting ADA accessibility requirements.

Scenic River Overlook

Services & Design Elements

- Public meetings to build consensus
- Paving color mix to reflect historic street
- Visual improvements at street entry
- Historic square curb
- Replace residential walks to curb
- Provide new scenic overlook of historic dam on Mississippi River
